DECLARATION OF COMPLIANCE WITH FOOD CONTACT

We declare that rolls and bags for vacuum, called MAGIC VAC, are obtained from coextruded products called RIGFLEX and POLINYL, both made of PA cast and PE film for food, do not contain phthalates and PVDC in compliance with D.M. dated 21/03/73 and its following updates.

It is furthermore in compliance with the D.L. 108 dated 25/01/92, with the D.P.R. 777/82 and its following updates, with the Decree 227/06 and its following updates, with the D.M. 220/93 and its following updates, with the Directive 72/2002/CE, with the Reg. 1935/2004, with the Reg. CE 2023/2006, with the Directive 2007/19/CE, with the Directive 94/62/CE and its following updates relating to packaging and packaging waste in particular to the levels of maximum concentration of heavy metals (lead, mercury, cadmium, hexavalent chromium) in packaging materials.

We hereby declare that the bags and rolls Magic Vac 2008 and Effenne are manufactured in compliance with Regulation CE 1895/2005 and following updates and do not contain the following substance:

2,2-Bis (4-Hydroxyphenyl)propane (BPA -- CAS No.: 80-05-7)

Best regards,

Flaem Nuova S.p.A.
